

# IMPORTANT INFORMATION: NOTICE OF ROAD CLOSURES

## adidas MANCHESTER MARATHON – SUNDAY 16<sup>TH</sup> APRIL 2023

We would like to thank you all for making the runners experience special by giving them a warm, friendly, Mancunian welcome!

From the services you provide to runners on the day, through to the cheering and fantastic support offered along the course – you help make the event special and we hugely value and appreciate the patience, help and support offered.

The below details some of the positive impact made by last year's adidas Manchester Marathon, thank you for helping to make this happen.

### **A £5.4 Million boost to the local economy**

Over 43,500 spectators and participants were offered a warm welcome to Manchester from all over the UK & abroad, taking the opportunity to sample some of Manchester's finest hospitality.

### **More than £1.9 Million raised for 497 local & national charities**

The Event has a positive impact on a wide range of the Greater Manchester and national causes.

### **£26,821 donated to The Trafford Active Fund**

The Fund helps to continue to build a long-lasting sport & physical activity legacy within Trafford.

### **£14,641 donated by us to local groups for volunteering at the event**

We work to minimise the waste going to landfill, with over **1.54 tonnes of rubbish recycled**.

## **Road Closure Information**

**In order to safely accommodate the expected 24,000 runners taking on the challenge of the adidas Manchester Marathon on Sunday 16<sup>th</sup> April, there are a number of Road Closures & Parking Restrictions necessary.**

Residents and businesses are encouraged to visit the road closure section of the [website](#) frequently in the run up to the event weekend for the most up-to date information: <https://www.manchestermarathon.co.uk/route/road-closure-info/>

There is also a helpful interactive map available on the [website](#) which is designed to help businesses and residents to quickly locate information regarding their local area - including road closure times, vehicle crossing points and parking restrictions. Please note that closures/arrangements for each individual point are subject to very specific timings - specific details can be found by clicking directly on the point on the interactive map.

A printable downloadable version of the course map and the road closures is also available on the [website](#)

*Please note, in some unavoidable circumstances access to vehicle crossing points may be slightly delayed or shorter than stated.*

A leaflet will be sent out to residents & businesses affected by road closures the w/c 6<sup>th</sup> March (deliveries will continue as across the full 7 day week so may be delivered on different days to different areas) and in addition, information will also be sent out to businesses via email. Please keep an eye out for these and read in full.
