50 Windows of Creativity is an inspiring way to explore Manchester this autumn.

Created by the team behind the award-winning Bee in the City event, 50 Windows of Creativity has transformed the city's windows and spaces into an innovative art gallery which takes you on a creative journey around the city centre.

The displays are unique, intriguing and thought-provoking and feature multiple art forms, from fine art and photography to ceramics, crafts, mosaics and murals - all curated by talented artists, designers, makers and collectives with a connection to Greater Manchester.

All pieces on display will be available to buy directly from the artist or maker so it's a great opportunity to own a stunning piece of art or find unique gifts for friends and family.

The project culminates with an auction on 10 December 2020 which will see a selection of pieces auctioned with proceeds going to their artists and makers, and to The Lord Mayor of Manchester Charity Appeal Trust - We Love MCR Charity (registered charity number 1066972) which supports disadvantaged communities and individuals to be the best they can be.

Download the 50 Windows of Creativity app from the App Store or on Google Play and discover them all!

A message from Wild in Art

Wild in Art is delighted to be buzzing back into Manchester, our home city, with 50 Windows of Creativity.

We wanted to create a new type of art trail for Manchester – one which not only shines a light on the city's art and creative community but also helps people feel part of the city again.

The displays are stunning - some are ingenious, some are intricate, some are simply fun - all are truly inspiring! We would particularly like to extend sincere thanks to the many talented artists, designers and makers who have created them.

We are grateful for the support we have received from Manchester City Council, our event partners and supporters and from the many businesses and venues which have got behind the trail through hosting displays.

We very much hope that you will enjoy discovering 50 Windows of Creativity.

Manchester has a proud history of pulling together through difficult times.

The We Love MCR Charity supports disadvantaged communities and individuals to be the best they can be. We provide the resources people need to fulfill their ambitions. And through our Covid19 Community Response Fund we have awarded £950,000 already to frontline groups tackling problems created by the pandemic.

The funds we receive from our partnership with 50 Windows of Creativity will go directly to improving lives here in Manchester. We are proud to be involved in this great campaign!

A message from Manchester City Council

The Council is delighted to support 50 Windows of Creativity, a new trail which showcases art in its many forms in windows and spaces across the city centre.

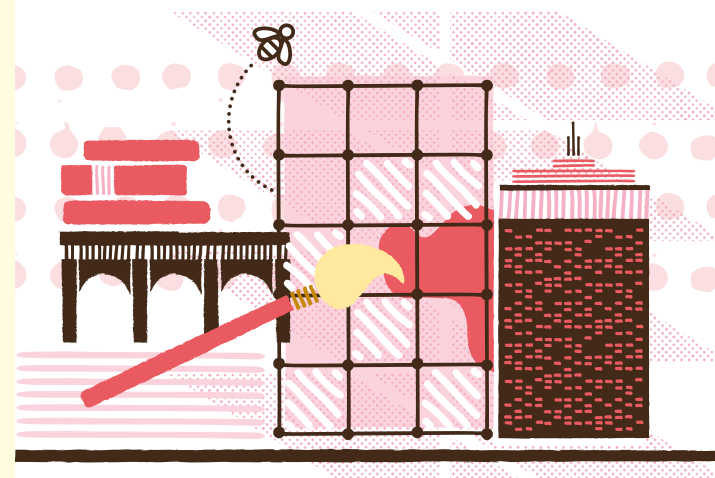

Now more than ever it is so important that we show support for the arts community, and I hope that people will take the time to explore 50 Windows of Creativity and appreciate the incredible talent that Manchester has to offer.

My thanks go to all the artists, designers and makers who have created the displays, to the businesses and venues hosting them and to everyone involved in creating this event for Manchester.

Councillor Luthfur Rahman OBE
Executive Member for Culture, Leisure and Skills, Manchester City Council

“Supporting this year’s ‘50 Windows of Creativity’ was an absolute no brainer for us at Auto Trader. Manchester is a city that prides itself on art, music, culture and community spirit, and we knew that after a challenging couple of months for our community, this was a wonderful project to help bring the city back together.

As a proud, Manchester based company, we can’t wait to see some of the artwork displayed across the city, created by the wonderful, local artists, and come rain or shine (probably rain), we’re looking forward to getting outdoors to check each piece out.”

Helen Robinson, Diversity & Inclusion and Community Engagement Manager, Auto Trader

“Supporting the communities we work within is very important to us at Dandara Living and this project not only celebrates Manchester’s creativity, it highlights the integral role that arts and culture plays in the heart of city life.

We are incredibly excited to be involved, not just as an event partner but also by having our development form part of the creative trail. This is a really exciting project and we can’t wait to see more local businesses and creatives get involved and make this a truly landmark event.”

Vicky Robinson, City Operations Manager at Chapel Wharf
